DDP Information

Here you will find all the information regarding the DDP creation. Please provide me with the following information:

Track Titel	The name of the individual song.
Album Titel	The name of the overall release (album or EP).
Track Artist	The performing artist credited for the specific track.
Track Songwriter	The person(s) who wrote the lyrics and/or melody of the track.
Album Songwriter	The songwriter(s) credited for the entire album.
Track Composer	The person(s) who composed the music for the track (melody, harmony, structure).
Album Composer	The composer(s) credited for the whole album.
Track Arrangeur	The person responsible for arranging the musical elements of the specific track.
Album Arrangeur	The arranger(s) credited for the entire album.
Album Genre	The musical genre that best describes the album (e.g., Pop, Rock, Jazz).
UPC/EAN	The barcode number used to identify the album release commercially.
ISRC	The International Standard Recording Code, a unique identifier assigned to each individual recording.
Album Cover	The final artwork file for the album release, provided in the required format (for example, a high-resolution PDF) for production and distribution.

If you have any questions, please write to me at
